City Schools is a membership organization composed of 57 of the nation's largest urban public school systems. Its mission centers solely on the improvement of public schools for students with special needs, students of diverse cultural and ethnic backgrounds, and students in urban areas. Networking among urban school districts with similar interests, concerns and challenges. The legislative advocacy efforts are estimated to bring more than \$250 million in extra federal funds to urban districts or about \$200 for every dollar in dues. The
