

APPROVE ENTERING INTO AN AGREEMENT WITH THE UNIVERSITY OF ILLINOIS AT CHICAGO

Approve entering into an agreement with the University of Illinois at Chicago to provide consulting services to the Office of After School & Community School Programs at a cost not to exceed \$200,000. Consultant was selected on a non-competitive basis because consultant was chosen pursuant to the 21st Century grant awarded by ISBE and designated use of this consultant is stipulated in the approved grant. A written agreement for Consultant's

- ii. Enables access to CPS CSI schools for purposes of data entry and periodic reporting
- iii. ~~Allow opportunity with information sources such as the CPS ASAP (After School Attendance~~

Record)

- iv. Supports both evaluation and administrative data gathering.
- c. Undertake the first year of a two-year study of the impacts of community school activities on five levels
(~~student, parent and family, neighborhood, partner agencies, and communities at large~~)

emphasizing the following activities in FY 2006:
