

THE GENERAL COUNSEL REPORTS THE FOLLOWING SETTLEMENT:

DESCRIPTION: Law Department attorneys have reached a settlement, subject to Board approval, to pay Charles Rankin back-pay in the amount of \$1,572.40 (which is pensionable) and approve him to participate in the Early Retirement Option, at a combined total cost of fifty-six thousand three hundred fifty-seven dollars and twelve cents (\$56,357.12). The tentative agreement is in settlement of a federal lawsuit (Case No. 05 C 6710), and a grievance filed on behalf of Mr. Rankin (Case No. 05-08-062), who was removed from his position as a tenured teacher at York Alternative High School. Mr. Rankin and the CTU will provide the Board a release of all claims in consideration of the settlement.
