

AMEND BOARD REPORT 08-1022-PR12
APPROVE ENTERING INTO A SOFTWARE LICENSE AGREEMENT WITH TRUE NORTH LOGIC

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Approve entering into a software license agreement and system development agreement with True North

Logic ("Vendor") for PD Central, a professional development management system and software, to be used by various departments at Chicago Public Schools, at a cost not to exceed \$150,000.00. Vendor was selected on a competitive basis pursuant to Board Rule 5-4.1. A written license agreement for such software and services is currently being negotiated. Agreement shall be made to Vendor prior to the

- Implementation of survey and assessment modules to collect data about the impact of individual courses and initiatives. The modules can be used to support any given framework that CPS may want to use in evaluating professional learning.
- The assessment module can be used by an employee as a self-assessment. That self-assessment will guide employees to their next steps in professional learning. Self-assessment tools will also be able to provide feedback against areas that the employee would like to address through an online mentoring program.

The mentoring framework provided by this application can support programs such as the Chicago
