#### DELIVERABLES:

Vendors will continue to provide:

Project Based Work: The ITS team serves as the primary implementation project manager on most enterprise level technology projects. To achieve its implementation goals, from time to time, ITS may require a pre-qualified partner to play various roles on these projects. The projects are of varying degrees of length, but all will have pre-defined start and end dates. These roles include, but are not limited to, enhancement development, new functionality/module implementation support, system architecture, report development, functional analysis, business analysis, change management, project management, and post-implementation production support. Pre-qualified vendors, if requested by the Board, shall provide qualified individual consultants to perform specific roles on projects under the management of CPS staff.

3. The pool will be used as the vehicle for staffing the first formalized District Technology Project Roadmap

4. Vendor performance will be assessed per annum and adjusted as required based on performance as part of the renewal process.

Scope Based:

1. The primary outcome for staff augmentation services is continued operational stability in the event of staffing shortages. Primarily, this involves day to day continuity around the CPS internet and phone network and critical enterprise application systems such as email, student information, e-business and HR.

2. The primary outcome for project based engagements will vary by project. Approved FY21 projects are organized into support of three portfolios: initiatives will align to organizational goals around academic progress, financial stability and integrity.

COMPENSATION:

Vendors shall be paid in accordance with prices contained in their agreement. Estimated sum to all pre-qualified vendors for pre-qualification term shall not exceed below:

\$15,000,000, FY22

\$15,000,000, FY23

\$7,500,000, FY24

Cost associated herewith shall be reported to the Board on a quarterly basis pursuant to Board Rule 7-10.

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written option document. Authorize the President and Secretary to execute the option document. Authorize Chief Information Officer to execute all ancillary documents required to administer or effectuate this option agreement.

AFFIRMATIVE ACTION:

This vendor pool is comprised of 59 vendors, with 20 23 MBEs and 12 13 WBEs.
