

# Performance Highlights

**Record-High Graduation Rate:** Students earning a diploma hit an all-time high of 78.2 percent this year

**Freshman OnTrack:** In 2018, the percentage of freshmen considered on-track to graduate is the highest measure on record at 89.4 percent, a nearly 30 percent improvement since 2011.

**Record-High Math Scores and Strong Reading Gains:** Reading scores have held steady at their previous record high. In 2018, a record 56.6 percent of students met or exceeded the national average in math scores, and 61.4 percent of students met or exceeded the average in reading scores on the 2017-18 NWEA MAP assessment.

**Record-High College and Career Credentials Earned:** Credential attainment jumped 3.2 percentage points this year, with 46.6 percent of 2018 graduates earning at least one early college and career credential, which helps make college more accessible and affordable for students and their families.

**Scholarship Dollars Earned:** The class of 2018 earned more than \$1.33 billion in scholarship offers – \$90 million more than 2016 and five times more than 2012, when CPS students earned \$266 million in scholarship dollars.

**College Enrollment:** 64.6 percent of the Class of 2017 graduates are enrolling in a two-year or four-year college, a 20 percent increase from 2010 when the college enrollment rate was 53.7 percent.
